## Trails Update to CLCC for March 19, 2026

### Snow Trails

- We have had enough snow to groom all locations.
  - Watch for snow trail grooming updates on the website:  
<https://cooperlandingtrails.org/snow-trails/#grooming>
- David conducted three grooming clinics for the season with four new volunteers. He will host more as conditions and time allows. Contact him for more details.
- Russian River Campground
  - There are several areas of glaciation to be watchful of between the gate and the Russian Falls trailhead.
  - All campground loops have been groomed.
- Crescent Creek
  - Snow trail grooming is ongoing.
  - There are two areas of glaciation to watch for, one by the old bulldozer and the other just before the Crescent Creek trailhead.
- Devil's Creek
  - Grooming is ongoing and the snow is packed but soft.
- Conditions will change at all locations as weather systems pass and Spring approaches. Watch our website for postings.
- We have some posters with information about the snow trail areas local bulletin boards with a QR code to our website.
  - Let us know if you would like any to post at your businesses

### Walkable Community

- FLAP:
  - KPB Mayor's office and DOT Design staff assisted in the final drafting and submission of our Federal Highways Land Access Program (FLAP grant) application.
  - We should hear if we are awarded at some point this Spring.
  - If awarded, the money will give us the opportunity we need to plan our Town Road Pathway Project.
- Squilantnu Archeological District Interpretive Plan Stakeholder Review
- Safety Path
  - The Safety Path has been impacted east of the junction with the new Sterling Highway alignment by last autumn's tree removal and initial grade work. It will now be unavailable for use until section 1B of the Sterling Highway MP 45-60 Project is completed. DOT will make weekly postings to 511 and to the website monthly:

- <https://www.sterlinghighway.net/> for general information
  - <https://sterling45-60.com/> for construction updates
  - <https://511.alaska.gov/> for road advisories
